

Sapporo Cultural Arts Theater hitaru

[3F – 9F]

Performing arts on Hokkaido's first quadruple stage in a superb acoustic space

This theater with three tiers of balconies is ideal for performing arts, such as opera and ballet, and concerts. It has 2,302 seats, one of the largest seating capacities in Japan, and is equipped with a high-end acoustical shell system and Hokkaido's first quadruple stage.

Creative Studio

From rehearsals to presentations

Studio similar in size to the main stage of the theater

This studio is ideal for presentations, theatrical performances, rehearsals and other uses. It is similar in size to the main stage of the theater and equipped with mobile audience seats. It also has a grid-type ceiling for drapes and other fixtures, as well as acoustic and lighting systems.

Sapporo Cultural Arts Community Center SCARTS

[1F – 2F]

- SCARTS Court
- SCARTS Studio 1 & 2
- SCARTS Mall A, B and C
- Information Counter

Space for creative pursuits that supports expression and presentations in art, music, photography, theatrical performance, dance and videography

As a hub dedicated to supporting and advancing cultural and artistic activities in Sapporo through connecting local people, materials and events, the Sapporo Cultural Arts Community Center provides venues for exhibitions, performances, concerts, workshops, lectures and various other projects. It also offers consultation and information services about cultural and artistic activities and provides support to those who will use cultural and artistic facilities.

Sapporo Municipal Library and Information Center

[1F – 2F]

A wide selection of books and other publications that provide solutions to career and daily life issues

Specializing in work, life and art, this library helps visitors find solutions to career and daily life issues. Visitors may bring drinks to the library, and some seats may be reserved online.

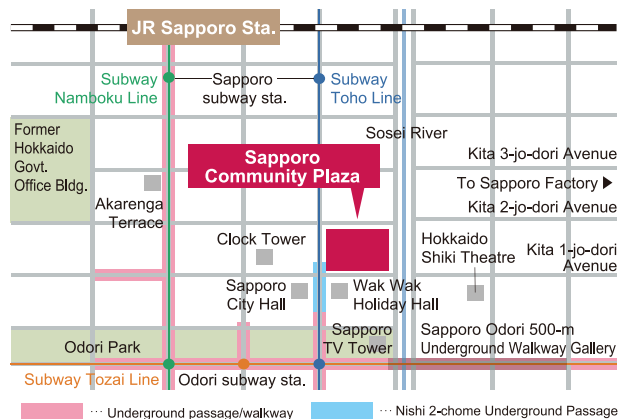

- TEL: +81-11-208 -1113
- Weekdays: 9:00 – 21:00, Weekends and nat'l holidays: 10:00 – 18:00 (except on days when the center is closed)

Café & Restaurant

The café and restaurant are operated by local café chain Morihico. Visitors may take books from the Sapporo Municipal Library and Information Center shelf to the café. The restaurant serves dishes made with locally sourced ingredients.
